You checked that during the next two months you....(filled in by choice)

How confident are you that in two months you will be successful

Very confident* Somewhat confident Not very confident

Prevention Female All Ages: In the past TWO YEARS have you

(Q18A) Had a pap test for cervical cancer? Yes* No I am not sure

Female all Ages :RELATIONSHIPS (Q19)

During the past 4 weeks, how often have problems in your household led to:
Insulting or swearing? Threatening? Yelling? Hitting or pushing?
None of the time A little of the time Some of the time* Most of the time*
All of the time*

Prevention Female 50+: In the past TWO YEARS have you

A mammogram for breast cancer? (Q21A)

Yes* No I am not sure

A test for fat (cholesterol) in the blood? (Q21B)

Yes* No I am not sure

A test for cancer of the bowel? (Q21C)

Yes* No No, but I had a colonoscopy in the past 9 years

Prevention questions omitted since 2020

Prevention Female Under 50: Have you had GOOD EDUCATION

Birth control? (Q22A) Yes* No I am not sure

Avoiding sexual diseases? (Q22B) Yes* No I am not sure

The advantages and disadvantages of mammography and cholesterol
young women? (Q22C) Yes* No I am not sure

Prevention questions omitted since 2020

Prevention Male 50+: In the past TWO YEARS have you had:

A test for fat (cholesterol) in the blood? (Q24A)

Yes* No I am not sure

A test for cancer of the bowel? (Q24B) Yes* No Yes No No, but I had a colonoscopy
the past 9 years.

Good education about the advantages and disadvantages of a blood test for
cancer? (Q24C) Yes* No I am not sure

Prevention questions omitted since 2020

Prevention Male Under 50: In the past TWO YEARS have you had: A

(cholesterol) in the blood? (Q25A)

Yes* No I am not sure

Prevention questions omitted since 2020

You indicated earlier that you have breathing problems.

How would you **rate the information** your doctor or a nurse gave you about:
Excellent* Very Good* Good Fair Poor I do not remember receiving any
information

How to **adjust medicines** for your shortness of breath?(Q Breathing 1A)

How to **use inhaled** medicines? (Q Breathing 1B)

Do you use an **inhaled steroid**? (Q Breathing 2)

Yes* No Not sure

You indicated earlier that you have diabetes.

How often do you keep your **blood sugar (glucose) in normal range** (between 80 and 150)? (Q Diabetes 1)
I do not test my blood sugar *All of the time *Often Sometimes Rarely Never

How would **you rate the information** your doctor or a nurse gave you about:
*Excellent *Very Good Good Fair Poor I do not remember receiving any information

Having your **eyes checked?** (Q Diabetes 2A)
How to **check feet** and choose proper shoes? (Q Diabetes 2B)
How to **adjust medicines for diabetes** and recognize when to call a doctor or nurse for help? (Q Diabetes 2C)

If your **blood sugar level before eating** was checked in the past four weeks, what was it? (Q Diabetes 3) Less than 100 101-120 121-140 141-160 161-180 181-200 201-250 Over 250

You indicated earlier that you have high blood pressure

How would you rate the **blood pressure information** your doctor or nurse has given you? *Excellent *Very Good
Good Fair Poor I do not remember receiving any information

What to do if you **miss a dose** of your medicine? (Q HBP 1A)
The effect of **weight and salt** on our blood pressure? (Q HBP 1B)
The **problems blood pressure medications** might cause you? (Q HBP 1C)

Do you **check your own blood pressure?** (Q HBP 2)
*Yes, often Yes, sometimes Almost never Never

What was your last blood pressure? (Q HBP 3A)
High Number (systolic) Under 100 100-120 121-130 131-140 141-150 151-160 161-170 Over 171 I don't know
Low Number (diastolic) (Q HBP 3B)
Less than 60 60-70 71-80 81-90 91-100 101-110 Over 110 I don't know

[For Hypertension, Diabetes, and Heart Disease]

What was your **last total cholesterol level?** (Q Heart 0)
Less than 100 101-130 131-160 161-180 181-200 201-220 221-240 Over 240 I don't know

You indicated earlier that you have heart trouble.

Have you ever had a **heart attack?** (Q Heart 1A)
Yes No

If you answered yes, are you taking aspirin and a "beta blocker" such as propranolol (Inderal), or other "beta blocker" drugs that end with a 'lol'? (Q Heart 1B) Yes* No I am not sure

Have you had a **stroke, paralysis or "shock"**? (Q Heart 2A)

Yes No

In the last month, have you **used nitroglycerin for chest pain**, tightness or angina? (Q Heart 3A)

Yes No

If you answered yes, how satisfied are you that everything is being done for your chest pain, tightness or angina? (Q Heart 3B)

*Completely satisfied *Mostly satisfied Somewhat satisfied Mostly dissatisfied Not satisfied at all

Have you been told that you have **heart failure**? (Q Heart 4A)

Yes No

If you answered yes, how would you rate the information your doctor or a nurse gave you about

*Excellent *Very Good Good Fair Poor I do not remember receiving any information

The effect of **weight and salt** on your heart failure? (Q Heart 4B)

How to **adjust medicines** for your weight, shortness of breath and leg swelling? (Q Heart 4C)

Describe here any **medical errors (mistakes)** that you or your family have experienced. Errors include such things as mixed up medications or poor treatment that result in harm or additional problems. If possible, be sure to tell us the cause of the error and how it might have been avoided. Your response will help us to improve future care delivery.

If you wrote in an error or harm, please help us by choosing ANY of the following categories for this error. (Please mark all that apply) *ALL MUST BE PRESENT TO BE CODED A HARM

*It caused harm, hurt or injury (Q Open 1) *It happened within the last year (Q Open 2) *It happened to me (Q Open 3)

How **confident** are you that you can control and manage most of your health problems? (Q Control)

*Very confident Somewhat confident** Not very confident** I do not have any health problems.

What would it take to increase your health confidence so that you could say that you are "very confident" you can control and manage most of your health problems during the next 2 months? (Open ended)

MEDICAL HOME PROCESSES

When you visit your doctor's office, how often is it well organized, **efficient**, and does not waste your time? (Q Efficient)

*Most of the time Some of the time Almost never is it efficient. It often wastes my time. Does not apply to me. I seldom visit a doctor's office.

During the PAST TWO WEEKS, how much did physical health or emotional problems **keep you from working** the hours you needed to work?

(Q Present) Physical or emotional problems DID NOT LIMIT my ability to work at all. *Physical or emotional problems DID LIMIT my ability to work a small amount (about 10 to 20%)

*Physical or emotional problems DID LIMIT my ability to work a large amount (more than 20%)

In the PAST 3 MONTHS did you have an **illness or injury** that kept you in bed for all or most of the day? (Q26)

Yes* No

In the PAST YEAR did you **stay in a hospital** overnight or longer? (Q27)

Yes* No

Do you have one person you think of as your **personal doctor or nurse**? (Q28)

Yes* No

Are you now also seeing a **specialist physician**?

Yes No I am not sure

If you are seeing a specialist physician and your primary physician do you have **one doctor who you feel is in charge** of your medical care?

Yes* No I am not sure

Overall, are there things about the **medical care from your specialist physician (or physicians)** that could be better?

No, the specialist(s) care is perfect* Yes, some things Yes, lots of thing

Are there things about your **medical care** that could be better? (Q29)

No, my care is perfect* Yes, some things Yes, a lot of things

How **easy is it for you to get medical care** when you need it? (Q30)

Very Easy* Easy Somewhat Difficult Very Difficult I have not needed medical care

When you think about your health care, how much do you agree or disagree with this statement:

I receive exactly what I want and need exactly when and how I want and need it.

Strongly Agree* Somewhat Agree Somewhat Disagree Strongly Disagree

You checked that you **have used the hospital or the emergency department in the past 12 months**. If this is true,

How many different times have you used the hospital or emergency department?

'1 time' 2-4 times 5 or more times I have not used the hospital or emergency department in the past 12 months

Do you think that there was something you or a doctor **could have done to avoid** the hospital admission or visit to the emergency department?

Yes, I am sure that if I had received better medical care or information I might have avoided time in the hospital or emergency department Maybe, if I had received better medical care or information I might have avoided time in the hospital or emergency department No, I can think of nothing a doctor or I could have done to avoid it. My time in the hospital or emergency department was necessary*

ADDITIONS BASED ON AGE 65-69: Quality of Live, Overall Health, Falls in year, Fear of falls, Driving difficulties, Home hazard info, Keep track of med info, Taking meds as prescribed. Refer to the geriatric survey for wording.

OPTIONS: CAHPs (Can be activated completely or randomly to reduce response burden for patients. The template used is includes items 6-23 and 41-43 from 2016 PQRS that are comparable to the 2019 CAHPS items. Many remaining PQRS items that focus on decision making, patient education, and surgical treatments and discussion of treatment options, patient recall and are more directly addressed in the patient survey. We have chosen three of these PQRS items: i) patient recall, ii) patient follow-up information, and iii) sharing of personal health information.

CAHPS and ROS never used by practices and are not included in reports

OPTION: REVIEW OF SYSTEMS (Must be activated... Adds length to assessment but documents for billing purposes)

Purpose of Doctor appointment

Please complete the following:

Is your main purpose in coming to the office for a NEW concern or problem or a KNOWN (older) concern or problem?

NEW concern or problem

KNOWN (OLDER) concern or problem

What is the concern or problem?

What does the concern or problem mean to you?

Are you bothered by problems/symptoms in any of the following areas.

Check any that are new or bothersome.

Stomach or Bowel:

sick to stomach

vomiting

abdominal pain

constipation

diarrhea

blood in stools

Heart:

chest pain

heart 'pounding or skipping'

Eyes:

double vision

sudden loss of vision

Lungs:

cough

wheezing

shortness of breath

Sexual:

impotence

irregular period

vaginal bleeding after menopause

Urine:

frequent or painful urination

bloody urine

Feelings:

depression

anxiety

Bones or Muscles:

joint pain

muscle weakness

Skin:

rash
changing mole
breast mass
new lumps or masses

General:

fever
weight loss
extreme fatigue
excessive thirst
bruising and bleeding

Nervous system:

headache
persistent weakness or numbness on one side of the body
falling

Ear, Nose, Mouth, or Throat:

sore throat
runny nose
ear pain

Other Concerns:
